SUMMER CAMP 2010 REGISTRATION FORM

Dynamo Basketball will once again be hosting a summer basketball camp this year. This camp is open to all boys and girls regardless of ability and experience. We develop our schedule based on the skill level of the players and each player will be challenged daily to improve their individual skills and team game. We will focus more time on individual shooting and each player will be videotaped daily so they can observe their development. Our program goal is to provide an environment during the week that will foster the growth of each player regardless of their abilities. I hope to see you there.
